

## Central Baptist Church VBS

The VBS train left the station right on time at 9:00 and we had a great first day! Pastor Tom read Psalm 139 where we learned that we are all children of God and that makes us all special. We sang songs, worked on a craft, had some time outside and ate a snack. In science we learned what makes something magnetic and we made God rainbows in crafts. Music was a lot of fun as we learned about trains and tunnels and our theme song, "This Train is Bound for Glory".

We would like each child to bring in a canned good for the food pantry each day: ie - green beans, ravioli, corn. At the end of the week we will collect it all and deliver everything to the pantry. Thanks and see you tomorrow!!!

Can we hide from God?

GOD DOESN'T MAKE JUNK!

Who loves us and is ALWAYS there for us?
