

# Central Baptist Church VBS

Today was a great day in VBS! Pastor Tom told us about David and Goliath. We learned if you have faith in God and love Him with all your heart, He will be with you always. David loved God and knew God would protect him as he fought Goliath and he was right. David wore no armor and all he took into battle with him were five stones and a sling-shot. Goliath was over nine feet tall and David was the youngest brother of eight and still young. After hitting Goliath with one stone from his sling-shot, the giant toppled. David was declared a hero by everyone and became the next king.

We sang our theme song, "This Train in Bound for Glory" and two new ones; "I Hear that Train A Coming", and "I Am Thanking Jesus". Music is always fun and having Mr. Dave play the guitar makes it even better. Did you know cereal can be magnetic? Well it can! Cereals like Total or Wheaties that are fortified with iron will attract a magnet! Boy! Were we surprised to learn that! We were busy painting rocks (like the one David hit Goliath with) in crafts. Our snacks today were delicious fruit skewers. Thank you Courtney!

Thank you for the canned goods! As of now we have \$34.09 for the food pantry!

VBS brings learning, laughter and fun. Tomorrow will be another great day! See you then ~
