

Central Baptist Church VBS

Another busy, fun day at VBS! Today Pastor Tom taught us about forgiveness as we learned about Joseph and his coat of many colors. Joseph had twelve brothers and only one was younger than him! Twelve brothers!!! He was the favored son of his father, Jacob. In fact, he became so special to Jacob that he was given a beautiful coat of many colors. Joseph's brothers were very jealous. So jealous that they took his coat and rubbed it in animal blood to tell their father Jacob was killed. He wasn't killed, the brothers had thrown him into a well then sold him to an important man named Potiphas who was an assist to the Pharaoh of Egypt. The Pharaoh learned that Joseph could understand dreams with God's help. Joseph warned the Pharaoh that seven years of famine would soon come and they had better start saving a bit from each year's harvest to prepare. The Pharaoh then put Joseph in charge of all the land. The whole world was in need of food and came to Joseph for help. Some of those people were his brothers who, not knowing it was Joseph, bowed down before him because now he was an important man. After several visits Joseph revealed himself to his brothers and they were afraid because of the way they had treated him. Joseph told them, "Do not worry and do not be angry at yourselves for selling me because God has put me here to save people from starving. Joseph's father, his brothers and all their families came to live in Egypt with Joseph and they had all the food they needed because Joseph forgave them.

We used many different colored buttons to decorate a cross today in crafts. The buttons are all colors, just like Joseph's coat. We learned another new song in Music and practiced the ones we already know. In Science we painted with magnets and our snack today was yummy pizza bites.

Tomorrow will be the last day of VBS already! Plan to stay a few minutes so we can show you all we've learned this week. See you tomorrow!
