

Central Baptist Church VBS

We have had so much fun this week and hate to see it end! Today we learned about Jacob's Ladder. Jacob saw a ladder reaching all the way to heaven in his dreams, and he saw angels of God moving up and down the stairway. Jacob also saw God in his dream and God told Jacob he was giving him the land that Jacob was on. When Jacob awoke, he set up a pillar and poured oil on it as a marker to remember the dream he had from God. He called the place Bethel which means "House of God".

Today we sang our songs, had dirt cup snacks, and made Jacob's Ladders in crafts.

Watch for VBS next year – we hope you'll be here!
