

Welcome to Your Christian Ed Update

Here's What's Happening This Week

And you shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength. Mark 12:30

This Week In Sunday school

Happy New Year from Christian Ed. As we move into 2019 the kids will continue learning about the Bible with the Deep Blue Kids. This week's lesson is based around Luke 4:38-44.

In these verses the kids learn about the healing power of Jesus. We learned that even in difficult times our faith in God can heal us. This is an oft repeated lesson in the Gospels. We see the woman with heavy bleeding healed by her faith, the blind man too healed by his faith in Jesus.

Attendance at Sunday school has remained fairly steady but we have had a small drop off following the holiday. If you haven't been in awhile, we hope we will see you soon.

When I read a scripture that's always been there, but I'm just now understanding the deepness of it.

If you haven't already, check out the Deep Blue App. It's a free download to any smartphone. Here's a link to check it out.

Bible Study

Last week we dove into Chapter 19 of Luke's Gospel. This week we will continue in that chapter. As Luke chronicles Jesus' mission, these later chapters take on new emphasis of Kingdom work over traditional religion. Jesus does not hate religion, but he does hate when the traditions and practices begin to take on more meaning than the work of the Kingdom.

Youth Group Meetings

Though irregular we are still holding youth group get togethers. We are playing around with days and times to see what might be easier for some of our teenagers to join us.

We will meet on Sunday 1/13 at five o'clock. Pastor Jerrie will be joining us. If you are between the ages of 15 and 25 please feel free to join us in the church social room downstairs.

Luke's Gospel is unique in that it was not written by a layman, but rather a trained physician writing to his friend or mentor Theophyllus. Luke wrote as an historian, meticulously gathering detailed eyewitness reports to account for the stories of Jesus Christ's ministry. Luke was a prolific writer also being responsible for the Book of Acts.

Join us as we explore this rich text. We meet Monday mornings in the adult Sunday school room at 10:30.
