On a separate paper please respond to the following prompt:

Morals and values help shape your character as an individual and lead you on the right path in life. A moral is defined as a person's standard of behavior or belief concerning what is and what is not acceptable for them to do. Values are a person's principles or standards of behavior and one's judgement of what is important in life. Identify two Christian morals that you believe in and two Christian values that you live by. Briefly explain how each has shaped your life and how they will help you with your college experience.
